

TONGUE TWISTER

I thought a thought,
But the thought I thought wasn't the thought
I thought I thought.
If the thought I thought I thought had been the thought I
thought,
I wouldn't have thought so much.

EVERYONE HAS A STORY IN LIFE.

A 24 year old boy seeing out from the train's window shouted. .
"Dad, look the trees are going behind!" Dad smiled and a young
couple sitting nearby, looked at the 24 year old's childish
behaviour with pity, suddenly he again exclaimed
"Dad, look the clouds are running with us!"
The couple couldn't resist and said to the old man . . .
"Why don't you take your son to a good doctor?" The old man
smiled and said "I did and we are just coming from the
hospital, my son was blind from birth, he just got his eyes today".
Every single person on the planet has a story. Don't judge people
before you truly know them. The truth might surprise you.

SHAKE OFF YOUR PROBLEMS

A man's favourite donkey falls into a deep precipice. He can't pull
it out no matter how hard he tries. He therefore decides to bury
it alive.

Soil is poured onto the donkey from above. The donkey feels the
load, shakes it off and steps on it. More soil is poured.

It shakes it off and steps up. The more the load was poured, the
higher it rose. By noon, the donkey was grazing in green pastures.
After much shaking off (of problems) and stepping up (learning
from them), one will graze in GREEN PASTURES.
