12.07.19 CELEBRATING THE DAY OF MAKKAL THONDAN I-II

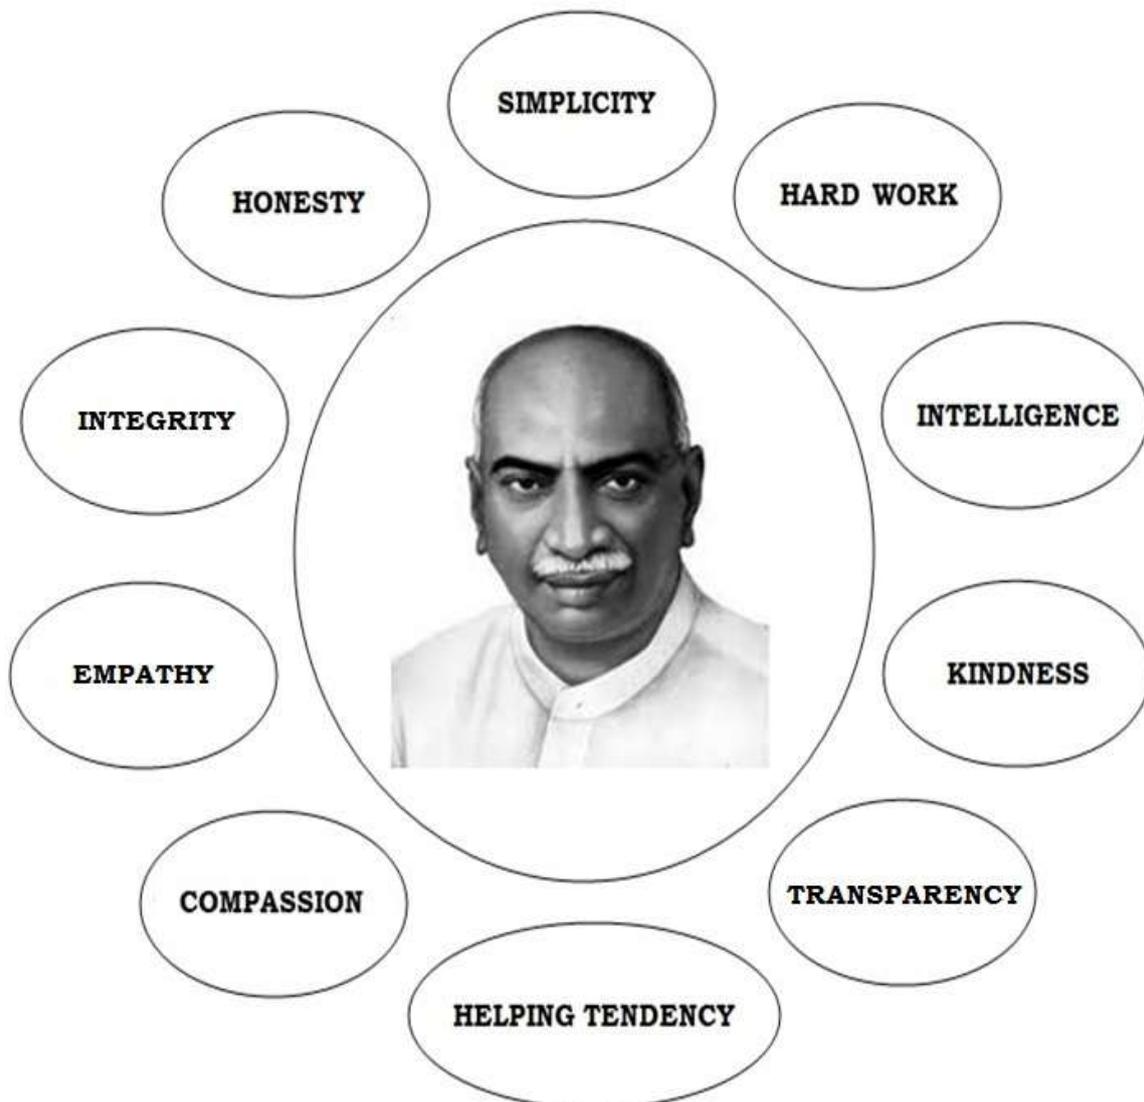

MR. K KAMARAJ'S BIRTH ANNIVERSARY (LEADERSHIP CAMP)

Dear Parent,

On the occasion of the 117th birth anniversary of Thiru. K. Kamaraj, the former Chief Minister of Tamil Nadu, on 15.07.2019 which is celebrated as Education Development Day, we are planning a series of events on the same day.

Parents can go through the following material which will be the base of our events this year. They need not train students at home.

QUALITIES OF KAMARAJ

The following life incidents will depict his qualities.

SIMPLICITY:

Once Sivagammial, Kamarajar's mother sent a letter to Kamarajar asking him to send Rs.150 as Nagammal, Kamarajar's sister was also staying with her. This is the period when Kamarajar was the Chief Minister of Tamil Nadu and he used to send Rs.120 every month to his mother, to take care of her expenditure.

Kamarajar's reply to this letter was amazing."Mom, I am a 'Makkal Thondan' (people's servant), who can send only Rs.120 to his mother. Please try to reduce your expenses accordingly".

When he died, he had only 4 cotton shirts, 4 cotton Dhotis, 1 watch and 6 utensils. He didn't even own a house. He was living in a rented house for which the Congress Committee was paying rent till the end.

HARDWORK:

Under Kamarajar's administration, a number of irrigation schemes were completed in record time. The Land Ceiling Act and the Tenancy Protection Act benefited small farmers and saved them from being exploited by landlords. Medium and small scale industries prospered in the midst of large industries making the Madras State one of the leaders in industrialisation. Nehru complimented Kamaraj for making Madras (later renamed State of Tamil Nadu) the best administered State in India.

He also started various industries across Tamil Nadu that includes Neyveli Lignite Scheme, Surgical instruments factory at Guindy , Sugar factories , Bi-Carbonates factories , Cement factories , Railway coach factory at Avadi , Mettur paper industry etc.,

LEADERSHIP:

Kamarajar gave a simple advice to his ministers, "Face the problem don't evade it. Find a solution, however small. People will be satisfied if you do something". He also brought in "one man one post" formula. When Nehru died in 1964, Kamarajar was elected "Congress President" and navigated the nation and the party successfully. He settled down the succession issue for the Prime Minister as was amply proved by his choice of Lal Bahadur Shastri and Indira Gandhi in succession.
