

I. FILL IN THE BLANKS 4X2=8

1. When zero is added to any number the result

Will be the **same** number.

2. The result we get in addition is called **sum**.

3. The numbers which we add are called **addends**.

II. Addition facts

$$1 \times 2 = 2$$

$$1) 8 + 0 = 0 + 8 = 8$$

$$2) 5 + 1 = 1 + 5 = 6$$
