

Std IV EVERWINMDHARSH RAM Marks:20
MAHS(I.T.)

Answer Key

I. Calculation of days:

$$\begin{array}{r} 1. \text{ Days in April} = 30 - 6 = 24 \\ \text{Days in May} = 31 \\ \text{Days in June} = 10 \\ \hline \text{Total} = 65 \end{array}$$

Ans: No. of days from 7th April to 10th June = 65 days.

$$\begin{array}{r} 2. \text{ Shabana holidays start 6th June} = 30 - 5 = 25 \\ \text{No. of days in July} = 31 \\ \text{No. of days in August} = 15 \\ \hline \text{Total} = 71 \end{array}$$

Ans: No. of shabana's holidays = 71 days

3. Exam holidays:

$$\begin{array}{r} \text{Days in March} = 31 - 22 = 9 \\ \text{Days in April} = 3 \\ \hline \text{Total} = 12 \end{array}$$

No. of holidays after exam = 11 days

II. Write the dates in numbers:

1. 2/6/08
2. 14/9/05
3. 6/8/19

III. Write which dates these stand for:

1. 4 May 2007
2. 10 July 2008
