EVERWIN VIDHYASHRAM

Marks: 20mar

STD: VI

TT - MATHS

Time: 40 min

1. Using the number line, find the value of the integer which is

a) 4 more than 1 (2m) b) 2 less than -5. (2m)

2. Using the number line and add the following integers

a) $(-1) + (3)$ (3m) b) $(+7) - (-2)$ (3m)

3. Find the sum without using the number line

a) $(-415) + (-200)$ (3m) b) 187 and -450 (3m)

c) $(-4) + (-10) + (+18)$ (4m)
